h Northgate's brand guidelines, register leads or opportunities through the agreed mechanism, and observe the lead-protection period stated in the Summary of Terms.

8. GOVERNING LAW

This Agreement is governed by the laws of England & Wales.

GENERAL PROVISIONS

A. INTERPRETATION

Clause headings do not affect interpretation. References to a statute or statutory provision are to it as amended, extended or re-enacted from time to time and include subordinate legislation made under it. Words in the singular include the plural and vice versa, and "including" and "in particular" are illustrative and do not limit the words that precede them.

B. ENTIRE AGREEMENT

This agreement, together with the documents it incorporates and the Schedule of Negotiated Amendments, constitutes the entire agreement between the parties on its subject matter and supersedes all prior drafts, arrangements and understandings, whether written or oral. Each party acknowledges that it has not relied on any statement or representation not expressly set out in this agreement, save that nothing limits liability for fraud or fraudulent misrepresentation.

C. VARIATION AND WAIVER

No variation of this agreement is effective unless it is in writing and signed by an authorised representative of each party. No failure or delay by a party to exercise any right or remedy is a waiver of that or any other right or remedy, and no single or partial exercise prevents any further exercise.

D. ASSIGNMENT

Neither party may assign, transfer, charge, sub-contract or deal in any other manner with any of its rights or obligations under this agreement without the prior written consent of the other (such consent not to be unreasonably withheld or delayed), save that either party may assign to an affiliate or to a successor in connection with a bona fide reorganisation or sale of the relevant business.

E. SEVERANCE

If any provision of this agreement is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable; if such modification is not possible, the relevant provision is deemed deleted. Any modification to or deletion of a provision does not affect the validity and enforceability of the rest of this agreement.

F. NOTICES

Any notice given under this agreement shall be in writing, addressed to the relevant party at its registered office or principal place of business (or such other address as notified), and delivered by hand, pre-paid first-class post or email to the address notified for that purpose. A notice is deemed received: if delivered by hand, on signature; if by post, at 9.00am on the second business day after posting; and if by email, on transmission, subject to confirmation of delivery.

G. FORCE MAJEURE

Neither party is in breach of this agreement or otherwise liable for any failure or delay in performance (other than a payment obligation) caused by an event beyond its

reasonable control. The affected party shall notify the other and use reasonable endeavours to mitigate the effect. If the event continues for more than sixty (60) days, either party may terminate on written notice.

H. THIRD PARTY RIGHTS

Except as expressly stated in this agreement, a person who is not a party has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this agreement, and the consent of any third party is not required to vary or rescind it.

I. DISPUTE RESOLUTION AND ESCALATION

The parties shall attempt in good faith to resolve any dispute by escalation to their respective senior representatives within fourteen (14) days of written notice of the dispute. If the dispute is not resolved within a further thirty (30) days, either party may pursue its rights and remedies, without prejudice to either party's right to seek urgent injunctive relief at any time.

J. COUNTERPARTS AND ELECTRONIC SIGNATURE

This agreement may be executed in any number of counterparts, each of which when executed constitutes an original and all of which together constitute one and the same instrument. Execution by electronic signature is valid and binding.
